Features

Benefits

Mentoring / Coaching

Mentoring/Coaching/Business planning from [David Perdue](#) managing broker, president/CEO. Business plan, goals, guidance, accountability and how to succeed in lead generation.

Experienced business man, investor, syndicator and broker to help build your career, obtain more assignments and close more transactions. A mentor/coach and staff with you and the client's success is the NUMBER 1 PRIORITY!

Marketing

Proactive, aggressive and consistent local, national and international marketing strategy. Opposite of traditional brokerage that is passive.

Clients will see how your international, national and local marketing creates more demand than most national firms in this economic cycle. You will get more exclusive agreements and sell more property. More commissions for you and quicker sale for client.

World class Training

[17 week training program](#), plus monthly training, coaching and mentoring. Strive for excellence with our professional training opportunities!

Your income and client satisfaction will increase as well as referrals with less risk. We will help take your career to the highest level you desire!

The best commission plan

Progressive commission structure.

The more you make, the more you keep and then there's the vesting period where you really lock in top splits! How would you like commissions for referring other agents to join the team too?

Access to Properties

As a technology driven company, you will have access to databases and various services for research and data for your client's looking to buy or sell.

You'll have more deals done and more repeat clients because it's easier to find the best property for your client!

State of the Art Technology

You have access to state of the art mapping, demographics, databases, and other tools, resources and services that will add value to you and your clients and help you succeed!

Your presentations will be more robust and impressive and your success will increase as you have the state of the art technology available for you and your clients. That translates into more commissions and client satisfaction!

Reputation

Outstanding reputation in the business and charitable community. David Perdue is very active in the community and with community leaders.

Our reputation will open doors with client's, prospects and other brokers which will increase your opportunities. We take care of our people and our clients as well as brokers from other firms, the way we want to be treated.

Web Presence

Our website is Search Engine Optimized and promoted world-wide. Visitors also have the ability to translate our website in to their language!

Having a website and presence internationally increases the visibility of your client's assets and opens up the market to the world. Thus increasing your deals won, commissions and client satisfaction!

Partner Opportunities

Top producers may qualify for "Partner" title and possibly ownership in the company. Past production at another brokerage firm may count toward Partner status if you have a team and leadership attitude!

Partner title, potential ownership in the firm and a seat at the table. Required production combined with client and company oriented practice can lead to becoming a partner at Asset Realty Advisors and another avenue of building your wealth. The benefits of ownership without the investment, risks and work.

Growth Opportunities

We have an international growth plan to build the brand. For those so motivated and proven, opportunities exist to go beyond being an agent.

If you are highly entrepreneurial, dedicated, creative and want to take a leading role in the growth of a company. Then this could be your opportunity!
